

Citra Force contains one of nature's most powerful solvents, d-limonene, which is derived from the peels of citrus fruits and leaves a fresh, natural, citrus aroma.

CITRA FORCE (CF)

A natural, biodegradable, water soluble, cleaner/degreaser concentrate.

- ✓ Non-conductive to 30kV
- ✓ Decarbonising and degreasing of electric DC motors and brakes
- ✓ Quick break degreaser
- ✓ Parts washer
- ✓ Dissolves polystyrene

Cleans:

- ✓ Electrical and electronic components
- ✓ Webbing and safety harnesses
- ✓ Workshop floors, oil from concrete
- ✓ Stainless steel and raw aluminium, non streaking
- ✓ Foam filters

Removes:

- ✓ Light corrosion from circuit boards
- ✓ Uncured silicone, blackjack, sikaflex
- ✓ Bitumen, oil, waxes, adhesives

Available in sizes:

- ✓ 400g aerosol
- ✓ 1 litre
- ✓ 5 litre
- ✓ 20 litre

natural products for
a better environment

TESTING

Flameproof Enclosure Testing: Simtars – AS 2380.2-1991

Safety Harness Cleaning: AWTA – AS 1753 / NZS 5432-1990

Dielectric Strength Testing: Energex – AS 1767

High Voltage Testing: Energex – Report No. 99 / 3 / 005

Acid Resistance: ETRS – AS 1580.460.2

Salt Spray Resistance: ETRS – AS 2331.3.1

Sealants & Lubricants

The Environmental Solution

✓ All Lanotec products are tested to NATA specifications

Australia's oldest shearing sheds stand today as testament to the unequalled protection given by lanolin.

General Purpose (GP)

For all-round lubrication and protection

For toggle switches, make sure contact area is cleaned after application

- ✓ Non-conductive to 70kV
- ✓ Inhibits crystallisation, electrolysis and oxidation
- ✓ Penetrates, frees and lubricates corroded parts.
- ✓ Anti spatter, cutting and drilling aid
- ✓ Cable lubrication
- ✓ Storage protection

Corrosion protection for:

- ✓ Electrical cabinets, locks and hinges
- ✓ Circuit boards, PC boards, ECU's
- ✓ Internals of air-conditioning units
- ✓ Industrial and commercial scales
- ✓ Connection points and terminals

Available in sizes:

- ✓ 400g Aerosol
- ✓ 750ml Spray Pack
- ✓ 1 litre
- ✓ 5 litre
- ✓ 20 litre

Lanolin is a unique, natural product secreted by sheep to form a natural protective coating on wool fibres.

Heavy Duty (HD)

For harder-working, harder-wearing areas

- ✓ Non-conductive to 70kV
- ✓ Corrosion protection of electric motors in highly corrosive environments e.g. fertilizer sheds and mines
- ✓ All marine electrics
- ✓ Battery boxes, connectors and terminals
- ✓ Cross arm bolts, buzz bars
- ✓ Flameproof enclosure protection

Lubrication/ Protection for:

- ✓ High speed, load bearing chains and wire rope
- ✓ Extendable booms, drilling and hire equipment

Available in sizes:

- ✓ 400g Aerosol
- ✓ 750ml Spray Pack
- ✓ 1 litre Spray Pack
- ✓ 1 litre
- ✓ 5 litre
- ✓ 20 litre

Lanotec's lanolin products form a long-term barrier against the destructive effects of moisture, salt and acid corrosion.

Type 'A' Grease (GS)

Not to be used inside bearings

- ✓ Food-grade non-conductive to 70kV
- ✓ Stops electrolysis due to dissimilar metals
- ✓ Non perishing to rubber "O" rings and seals
- ✓ Use on multi-pole connectors
- ✓ Smear multi-pin plugs before connecting to provide a moisture-tight fitting and stops wires from fracturing
- ✓ A potable water grease
- ✓ Prevents galling of stainless steel and aluminium
- ✓ Rubber grease, nozzle dip
- ✓ Anti-seize for threaded rods

Available in sizes:

- ✓ 235 ml
- ✓ 500ml
- ✓ 1 litre
- ✓ 4 litre
- ✓ 20 litre

penetrates, lubricates, protects and preserves
non-toxic, non-carcinogenic, environmentally friendly, biodegradable
